

National Leisure Recovery Fund

Expression of Interest form

The fund

The National Leisure Recovery Fund will distribute £100 million of Exchequer funding to eligible local authorities with outsourced leisure services to assist the reopening and recovery of the public leisure sector. The fund will help to drive the sustainability of leisure facilities nationwide, and the detail submitted will help Sport England and the government to articulate what further support is needed to protect the £6.4 billion of social value created by leisure facilities.

Expressing interest

To express your interesting applying to the fund, please fill out the form below and submit your completed expression of interest (Eoi) form and accountable officer approval to eoim@nationalleisurefund.co.uk by noon on 21 December.

Upon receipt of the completed Eoi form, we'll respond by email with a confirmation of receipt and details of how to make a full application to the fund – including a partially pre-populated application form, application guidance, FAQs and an example Funding Agreement. We'll also provide access to the application portal.

Please note, the deadline for applications to the fund is noon on 15 January 2021.
