### Active Lives Adult Survey:

**Taking part in Sport**
The overall percentage and number of the adult population in England participating in the equivalent of 30 minutes’ activity at least twice in 28 days. Each session must last at least 10 minutes and be of at least moderate intensity.

**Physical Activity**
The percentage of the adult population who, over the course of a week are:
- Active – 150 or more minutes a week
- Fairly active – 30-149 minutes a week
- Inactive – less than 30 minutes a week of physical activity.

**Volunteering**
This is measured as having given time to support sport and fitness activities more than twice in the last 12 months

**Wellbeing, individual and community development**
Data on reported levels of mental wellbeing, individual development and social and community
