RANGE

# FROM THE EXECUTIVE DIRECTOR

On behalf of Sport England, I'd like to take this opportunity to thank you for your school's participation in the Active Lives Children and Young People survey.

By contributing to this research, you have increased the understanding of how children and young people engage with sport and physical activity. This will provide Sport England, Government and other partners with a deeper and richer understanding of youngsters'

participation and attitudes, helping shape future policy and investment.

In appreciation of your valued contribution, please select a reward from this catalogue as a thank you from Sport England. We hope that your choice will enhance the active opportunities available to pupils at your school.

Together, we hold a vital role in safeguarding the future of our children's health, as a positive experience of physical activity or sport at a young age can help encourage a lifetime of participation.

Thank you,

A handwritten signature in black ink that reads "Jayne Molyneux". The signature is fluid and cursive, with a long horizontal line extending from the end.
