The employment and deployment of coaches

How the employment and deployment of coaches can help you maximise the Primary PE and Sport Premium

Maximising the Primary PE and Sport Premium

The additional investment of the Primary PE and Sport Premium funding, will enable a measurable and sustained improvement through:

- PE and sport, underpinned by high quality teaching
- Increasing participation levels in physical activity
- Increasing healthier pupils who are more engaged across the whole curriculum

The four objectives of the Primary PE and Sport Premium funding are:

- To improve the quality of existing PE teaching through continuing professional learning in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports
- To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence
- To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce
- Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement.

To ensure sustainable impact of this investment, schools should review their PE and school sport provision in order to identify where their key priorities are in terms of improving PE and school sport for all pupils.

This poster will provide you with the information you need to consider how the employment and deployment of coaches can help you to enhance the provision of PE, school sport and healthy activity across your school. The flow chart over the page is designed to provide guidance in relation to the employment of your coaches and consider what steps, if any, you need to take to maximise their impact or potential impact for your pupils and school, and signpost you to where help can be found.

What is sports coaching?

The outcomes of good or high quality sports coaching:

- Improved sports skills in children through increased opportunities in school and the wider community
- Better physical, technical, tactical and mental understanding of a range of sports
- Development of wider life skills through sport which build on from the PE lessons, i.e. communication, teamwork, fair play and leadership
- Age and stage appropriate provision.

What is PE teaching?

Outcomes of good or better PE curriculum delivery:

- Develop all young people's physical literacy in order for them to engage in lifelong participation
- Young people make progress in, and understand how to move effectively. They will then go on to achieve their potential in a variety of activities
- Develop young people physically, socially, morally, culturally and spiritually
- Young people understand the importance of being safe and feel safe in physical activity.

Working with coaches

Coaches are different from teachers (however it is recognised that other volunteers, including Level 1 assistant coaches, and under-18s, including young leaders, may support delivery, but this must be under the direct supervision of a qualified teacher or Level 2 coach).

When coaches complement teachers (where they feel they need support), outstanding outcomes can be achieved by using their technical knowledge and skills.

Physical Education

Expertise

- Direct delivery of parts of the lesson where they have the expertise, under the direction of the teacher
- Peer mentoring (if appropriate)
- Knowledge transfer to teachers
- Build confidence in teachers

Physical Education Curriculum

The teacher's role is to ensure the child makes significant progress and achievement in all areas of school curriculum. It is therefore vital that teachers are up-skilled and supported and not replaced or displaced by coaches.

Appropriately qualified coaches can help to up-skill teachers' technical knowledge in specific activities, but should support and not replace teachers in curriculum provision.

PPA time

To make a sustainable impact with the Primary PE and Sport Premium, schools should adopt best practice when deploying coaches by ensuring they work alongside teachers. Schools must also ensure they do not double-fund PPA time by using PPA funding and the PE and Sport Premium.

Where can coaches support your school’s PE and school sport offer?

Firstly schools need to ensure that their PE and school sport provision is appropriate. If you are unsure please refer to the Ofsted inspection framework, the national curriculum for PE and recently published Physical Literacy Framework (this can be downloaded from www.bit.ly/yipfp). This will support schools’ understanding of what they should be providing in PE, physical activity, school sport and competitive sport, as well as ensure teachers and coaches are working towards outstanding delivery.

Coaches can support your PE and school sport provision through:

Physical Education

- Enrich
- A wider range of sports and activities

School sport

- Enable
- Develop skills and competence

Wider school outcomes

- To your workforce
- Positive role models
- Adults other than teachers supporting learning
- To your pupils (where appropriate)
- Lifeskills development (i.e. communication skills)
- Aiding their transition from primary to secondary

The recognised minimum standards for coaches employed to work in school sport:

- Minimum age — 18 years old for all paid coaches working in schools
- Appropriate qualifications — the minimum qualification, recommended by the National Partners, for a coach or professional working in a primary school context is considered to be a UKCC level 2 coaching qualification or equivalent in the activity being delivered.
- Appropriate insurance cover that covers them for the duties you have asked them to carry out at the school
- Policies and procedures. As a minimum, your school should have in place, and require a coach to sign up to, the following policies: code of practice, equality, participant welfare, health and safety, which should be part of a thorough school induction
- Safeguarding children and vulnerable groups — must have a DBS check completed where necessary.

The additional recommendations (best practice) of coaches working in support of PE:

- Coaches should have a sound understanding of what safe practice in PE and sport looks like. Therefore coaches can develop pupils’ understanding of being safe, and feeling safe in physical activity. Refer to Safe Practice 2012 at www.bit.ly/aPE-Publications
- The coach has been through an appropriate induction process by the school, so is thoroughly prepared and comfortable in the environment
- Schools to ensure that they have a system in place to regularly monitor and evaluate the coaches provision
- aPfE believes that by 2015, coaches employed in or by schools supporting Curriculum time PE should be working towards a 1st4sport/aPfE Level 2 and 3 in supporting PE and school sport or equivalent, to comply with the forthcoming aPfE Safe Practice Guidance for Schools
- Coaches may consider a Multi-Skills Level 2 qualification. www.1st4sportqualifications.com
The employment and deployment of coaches

How can coaches best support your school’s PE and school sport offer?

START

Can a sports coach help to meet your needs?

YES

NO

How can you understand an audit of need for your PE and sport provision?

YES

NO

School needs to undertake an audit first

YES

NO

Are they happy to gain the minimum requirement to work in the school?

YES

NO

Don’t proceed until your coach meets the minimum standard

YES

NO

Does your coach have the skills and abilities to work with children? NB — It is important to ensure that your coach has the technical expertise but they have the skills and abilities to work with and engage children?

YES

NO

Are they clear about the difference between physical education and school sport?

YES

NO

Is your coach employed during curriculum time?

YES

NO

Is your coach clear about the difference between coaching and teaching and understand their role?

YES

NO

Does your coach work alongside a member of school staff? (preferred model) NB — This is absolutely imperative during curriculum time. This is a way to maximise and sustain the impact, provided your coach has the skills to mentor staff.

YES

NO

It is important coaches working in your school are clear about the differences and specific roles they are expected to play in either context.

YES

NO

Is your coach providing additional opportunities that wouldn’t otherwise exist?

YES

NO

A practical guide to coaches working in the curriculum can be obtained from aFPE’s website www.aFPE.org.uk

YES

NO

It is important to audit your current provision, the skill set of your staff and the needs of your pupils to ensure any additional coaching provision enhances your PE and school sport and does not duplicate or replace the work of existing teachers.

YES

NO

Two resources to help you review your PE and school sport provision are: The Youth Sport Trust self-review tool www.youthsporttrust.org

Signposting

sports coach UK

Coaching in Schools Portal — sports coach UK is the lead coaching agency in the UK, and has coordinated and collaborated with aFPE, CSPn, Sport England and the Youth Sport Trust to produce a free access web portal containing all the information headteachers will require to maximise the use of coaches in their school through the Primary PE and Sport Premium. Our vision is to put coaching at the heart of sport, enabling every child to follow their dreams, have fun and fulfil their potential. Two recommended workshops to consider undertaking are: Coaching Chidren (5-12) and Introduction to the Fundamental Movement.

For more information go to: www.sportscoachuk.org/primary-school-head-teachers-web-portal

aFPE

One of aFPE’s corporate objectives is to play a leading role in the development of a workforce with skills and qualities required to ensure high quality physical education and sport in schools. Sport teaching is also at the heart of what we do.

A practical guide to coaches working in the Curriculum — an essential resource to assist coaches and school staff in working to support physical education in schools.

This collection of vital documents and templates aims to equip private providers, coaches, head teachers, physical education curriculum leaders and chairs of governing bodies with all they need to effectively employ/ deploy a coach in a school environment.

For more information go to: www.aFPE.org.uk

Youth Sport Trust

The Youth Sport Trust is passionate about helping all young people to achieve their full potential — and we also have a range of support available to those working in education and school sport.

Outreach range of programmes and initiatives, sport and education resources, events and continuing professional development programmes, and of course our school sports premium scheme are all created to achieve the best possible outcomes for young people.

Our specialist staff work closely with all schools (primary, secondary and special educational needs) and a range of partners including National Governing Bodies of Sport and our corporate partners, to get even more young people involved in PE and school sport.

For more information go to: www.youthsporttrust.org

Sport England

Sport England is committed to helping people and communities across the country create sporting habits for life. We know that young people form habits at an early age and that school sport is important in building strong foundations of sporting habits for life. This means investing in organisations and projects that will get more people playing sport and creating opportunities for people to excel at their chosen sport. One of the important groups of organisations we fund are National Governing Bodies of Sport (NGBs).

NGBs — Across England there are many different NGBs who have responsibility for managing their specific sport, and coach education will be a key component of their sports development plans. Information on the sports specific coaching courses they offer can be obtained through contacting the sports directly, or through your local County Sports Partnership.

For more information go to: www.sportengland.org

CSPnetwork

Your local County Sports Partnership can assist you in the recruitment, deployment and development of coaches to enhance PE and sport in your school, and maximise the impact of your Sport Premium funding.
