

TIMELINE FOR TACKLING INACTIVITY AND ECONOMIC DISADVANTAGE FUNDING

Month/date	What's happening	Notes
29 August 2017	Tackling Inactivity and Economic Disadvantage funding launched with prospectus online.	
Mid-September to mid-October 2017	Tackling Inactivity and Economic Disadvantage funding workshops held.	Sported and StreetGames to support the Inactivity and Low Socio-Economic Team with the delivery of these workshops.
30 October 2017	Deadline for all expressions of interest.	This deadline applies for both the micro awards (£1-10k) and larger (£25k plus) awards.
Week beginning 9 January 2018	Micro (£1-10K) awards decisions communicated. Larger (£25k plus) awards – selected partners invited to proceed to next stage and develop their expression of interest into a full Stage 2 application.	
Mid to late January 2018	Sport England and expert partners to give guidance and support to develop project ideas for Stage 2.	
12 February 2018	First deadline for submission of Stage 2 applications.	We envisage that most organisations will submit their Stage 2 application at this point. We're keen to get funding agreed and projects started as quickly as possible. Where an organisation would like more time and this would benefit their proposal, a second and final submission deadline in April is available.
Week beginning 26 March 2018	First decision point for Stage 2 applications.	Successful grants awarded and unsuccessful partners informed of decision.
9 April 2018	Final deadline for submission of Stage 2 applications	For those organisations needing more time to develop their proposal.
Week beginning 21 May 2018	Final decision for Stage 2 applications	Successful grants awarded and unsuccessful partners informed of decision.
